PROFESSIONAL EXPERIENCE

Coral | Sales Representative Jun '24 – Present

- Leveraged customer insights and behavioral data, using Power BI to generate clear reports that informed decision-making and improved service strategies.
- Proactively identified opportunities to enhance customer experience, recommending solutions that encouraged loyalty and repeat business.
- Delivered clear, confident presentations of findings and ideas to colleagues and managers, strengthening team alignment and performance.
- Developed persuasive skills by handling objections and resolving challenges effectively, ensuring positive outcomes for both the business and the customer.
- Effectively utilised CRM systems to track customer interactions, maintain accurate records, and support targeted engagement strategies.
- Consistently achieved **100%** of KPIs, demonstrating a results-driven mindset and commitment to meeting business objectives.

Paragon One | Externship Program Feb '24 – Mar '24

- Conducted research into emerging industries and market trends, evaluating competitors' positioning to support strategic decision-making.
- Analysed data and insights to assess business opportunities, presenting findings in a clear and engaging way to peers and mentors.
- Developed strong presentation skills by delivering reports and recommendations to stakeholders, ensuring complex information was easy to understand.
- Collaborated with a diverse team on market-entry projects, strengthening teamwork, adaptability, and cross-cultural communication skills.
- Gained exposure to prospecting and lead-generation techniques through industry analysis, building a foundation for business development activities.

Sainsburys | Customer Advisor Jan '22 – Sep '23

- Delivered clear and professional communication with a wide range of customers, building trust and resolving issues quickly to maintain high satisfaction levels.
- Built rapport with diverse individuals, overcoming objections and managing challenging conversations while remaining calm and professional.
- Presented product information in a clear and engaging way, supporting customers in making informed decisions and driving sales.
- Worked collaboratively with colleagues to meet daily targets, demonstrating resilience, adaptability, and a proactive approach to problem-solving.
- Managed high volumes of interactions under pressure, ensuring compliance with processes and effective stakeholder communication.
